SMART ENGINEERING SIMULATION

ANSYS 12.0 is the latest product release from engineering simulation leader ANSYS, Inc. — the only company that offers advanced simulation technology spanning all key engineering disciplines in an integrated software platform designed for Simulation Driven Product Development™. Within the highly productive environment of ANSYS 12.0, forward-looking companies can access and apply an unequalled depth and breadth of physics, compress and manage their design processes, and elevate to a new level of Smart Engineering Simulation in which innovation takes place rapidly and cost-effectively. Our North American 12.0 Seminar Series will introduce you to ground breaking developments in simulation. During the free one-day event you'll:

- ▶ Meet with our staff to discuss your applications, ANSYS 12.0 and how it will help you and your company achieve your engineering goals
- ▶ See comprehensive demos of:
 - The ANSYS 12.0 workflow
 - Our best in class solvers
 - Multiphysics applications
- ▶ Dive into the details of ANSYS 12.0 and our fluid dynamics, structural mechanics, explicit dynamics and multiphysics offerings
- ▶ See our newly expanded electronics offerings
- ▶ Network and share ideas with other ANSYS customers

Conference at-a-Glance

Time	Session Title
9:00 - 9:15 a.m.	<i>Launching a New Era of Smart Engineering Simulation</i>
9:15 - 10:00 a.m.	<i>Introducing ANSYS 12.0</i>
10:00 - 10:15 a.m.	Break
10:15 - 11:30 a.m.	<i>ANSYS Workbench 2.0</i>
11:30 - 11:45 a.m.	<i>Microsoft Sponsor Presentation</i>
11:45 - 1:15 p.m.	Working Lunch and Poster Session
1:15 - 1:55 p.m.	Multiphysics in ANSYS Workbench 2.0 and Ansoft Links to ANSYS Workbench
1:55 - 2:35 p.m.	ANSYS Structural Mechanics Solutions
2:35 - 2:50 p.m.	Break
2:50 - 3:30 p.m.	ANSYS Fluid Dynamics Solutions
3:30 - 4:10 p.m.	Overview of ANSYS Meshing in ANSYS 12.0
4:10 - 4:30 p.m.	Live Fluid Structure Interaction Demonstration
4:30 - 6:00 p.m.	Closing Comments / Open Time with ANSYS Staff
